

HOW TO RENT A CABIN

- Select a unit and complete the online application form.
- Provide us with photo ID and proof of address for your current residence, a letter or email from landowner giving approval to place a unit on the property.
- Unit2Rent undertakes credit checks and will advise you once your application is approved.
- You will be sent a quote outlining the upfront costs. This must be paid to initiate the process, and secure a unit.
- Once your invoice is paid, you will be sent the rental agreement for your approval and signature.
- When the signed paperwork is received by Unit2Rent your unit can be delivered .
- You will need to set up an automatic payment to start your rent the day your unit is delivered (rent must be paid in advance).
- We have a 12 month minimum rental term.
- We require the delivery fee and the collection fee (to pick the unit up at the end of the term) to be paid upfront.

*Your deposit is returned, less any administration fees, if your application does not proceed. See our T&C's for more information .

DELIVERY

We can deliver anywhere in the North Island.

- The site is to be level and stable for installation of the unit. Any site works are the client's responsibility.
- All prices are ex factory (no on-site costs allowed for unless quoted).

See our website for full terms and conditions.

ALL UNIT 2 RENT CABINS INCLUDE:

- All new units over 10m² are built with a code of compliance certificate.
- Built by a licensed building practitioner by professionally registered trade staff.
